Supplies Needed for Collecting Fecal Samples

- Sample Form
- Pen or pencil to fill out sample form.
- Plastic zipper sandwich bags that seal – **DO NOT USE FOLD OVER BAGS!**
- Plastic gloves, or extra bags to protect hands
- Disposable spoon(s)
- Permanent marker to label bags (Sharpie)
- Masking tape to label bags in case marker does not work
- Frozen Gel Pack (ice substitute)
- Styrofoam mailing box

When collecting samples, make sure that you have a copy of the **Sample Form**, which can be downloaded from the course content page.
